**Introduction**

New Horizons Communications Corp. ("Applicant"), by its undersigned attorney and pursuant to S. C. Code Ann. § 39-8-10, *et seq.*, and all other applicable rules, statutes and regulations, hereby files this Motion for Protective Treatment ("Motion") in the above-captioned proceeding. By this Motion, the Applicant seeks protective treatment by the South Carolina Public Service Commission ("Commission") of certain commercially-sensitive financial statements attached as **Exhibit C to the Application**, filed as Trade Secret to the Application of New Horizons Communications Corp. for a Certificate of Public Convenience and Necessity for Authority to Provide Resold and Facilities-Based Local Exchange and Interexchange Telecommunications

Services in the State of South Carolina and for local service offerings. Because this Motion is an inseparable part of the Application, it is being filed concurrently therewith.

In support of this Motion, the Applicant provides the following:

1. The exact legal name, address and telephone number of the Applicant is:

## **I. Description of Confidential Information.**

1. The Application requires the Applicant to disclose evidence of financial fitness through the submission of documentation of its financial resources and ability to provide the requested service. In conformity with this requirement, the Applicant submits copies of its financial statements. These documents contain highly confidential and strictly proprietary information, the public disclosure of which may result in direct, immediate and substantial harm to the competitive position of the Applicant in South Carolina and elsewhere.

## **II. Grounds for Claim of Confidentiality.**

1. The Applicant is presently immune from a legal obligation to prepare or submit projected financial statements, or any other financial information, to any public entity. As such, the financial statements attached as **Exhibit C to the Application** are not readily available to persons external to Applicant.

2. Because the projected financial statements submitted by the Applicant in support of the Application contain confidential and commercially-sensitive information from which its competitors may derive economic value, the Applicant seeks to protect such material from public disclosure. The Applicant derives independent economic value from the fact that significant, detailed and proprietary information regarding its financial structure and current financing activities is unknown to its competitors. As such, the Company's financial statements are a "trade secret" as that term is used in South Carolina Trade Secrets Act, S. C. Code § 39-8-20(5). Given this fact, the disclosure of this information could provide existing and potential competitors, including interexchange carriers ("DCCs") in South Carolina, as well as in other states in which the Applicant provides or intends to provide telecommunications service, with an unfair and undeserved competitive advantage.

3. The Applicant clarifies herein that its request for protection applies only to the documents attached as **Exhibit C to the Application**. The Applicant is not seeking protection of any type for those reports the Applicant is required to file with the Office of Regulatory Staff ("ORS") should the relief sought in the Application be granted: the Annual Report Form, Gross Receipts Report, and Universal Service Fund Worksheet.

### **CONCLUSION**

The financial information included in support of the Applicant's Application, for which Confidential Treatment is sought, is both proprietary and competitively-sensitive. The substantial and direct harm that could be caused to the Applicant as a result of any disclosure is real and not speculative. Moreover, to date, no other jurisdiction or governmental agency has required the Applicant to make this information available to the public. For all these reasons, the financial

statements attached as **Exhibit C to the Application** should be protected from public disclosure by the Commission.

**WHEREFORE**, the Applicant respectfully requests that the South Carolina Public Service Commission grant this Motion for Protective Treatment with respect to the financial statements attached as **Exhibit C to the Application** of New Horizons Communications Corp. for a Public Convenience and Necessity for Authority to Provide Basic Resold Local Telecommunications Services in the State of South Carolina filed **under seal** as Confidential in this proceeding.

Respectfully submitted, this the 30th day of September, 2013.
